

Hi

Are you interested in playing on Wednesday nights, but you just don't have a partner? If the answer is yes, then let me help you. I have been asked to help co-ordinate partnerships for Wednesday nights. By the way, I received your name from a list of people who are in "Help with Play" and/or you have decided to graduate into the larger groups

So, who am I you ask? Well, I have been a member of QCBC for a number of years. I am a restricted player who is trying very hard to not make mistakes. Just ask any of my partners. But I am also very grateful to all my partners who each have taught me so much. So, with this in mind, I have taken up the challenge to help others find partners for Wednesday nights.

This is what you can do if you are interested in.

My email address is [sallyh25@bigpond.com](mailto:sallyh25@bigpond.com)

SMS me on 0437 330 001. I prefer message than phone calls

I will do my best to find a partner for you.

Good bridging and see you at the club. Sally
